

SESSION 5

COVID 19 PREVENTIVE MEASURES

GUIDE FOR LOCAL SELF-GOVERNMENTS

Finding & Preparing Community Quarantine Centres

LOCAL SELF GOVERNMENT DEPARTMENT, GOVERNMENT OF KERALA
KERALA INSTITUTE OF LOCAL ADMINISTRATION

Why do we need Community Quarantine Centres?

- ▶ Spread of Corona Virus will lead to a huge disaster
- ▶ Quarantine centers are required to prevent this
- ▶ Helps to keep physical distancing from COVID - 19 infection

For Who all is the Community Quarantine Centre?

- ▶ Those who are stranded in transit stops from other Countries/ States
- ▶ Quarantined persons having not enough facilities at home
- ▶ Those who break social distancing protocol during observation period

Where could the Community Quarantine Centre be?

- ▶ Institutions or buildings having facilities of solitude stay & care.
- ▶ Example:
 - ▶ Vacant hospitals
 - ▶ Hostels
 - ▶ Educational Institutions
 - ▶ Training Institutions
 - ▶ Lodges, Resorts
 - ▶ Unused houses, buildings

How to identify Community Quarantine Centres?

- ▶ Collect the details of institutions or buildings with the help of Ward Member (Form - 6.3.1)

Data Collection Forms

Form - 6.3.1 - Accommodation Facility - Ward Level

Ward Member

Each Category (Accommodation Facility) has Special Forms

Serial No.	Institution's/ Building's/ House's	Ownership		Number of Beds	Electricity Available Yes/ No	Water Available Yes/ No	Facility to pass the vehicle Yes/ No	Contact Number
		Public	Private					
1								
2								
3								

Next Step after Finding Quarantine Centre Facility

- ▶ Submit organized details in local self-government institution level via DDP/ RJD to the Collector
- ▶ Make preparations which is useful in any kind of emergency situation
- ▶ Do further activities only after obtaining orders from the District Collector

What are the Preparations?

- ▶ Clean the building & surroundings
- ▶ Ensure water, electricity, fire extinguisher, etc.
- ▶ Ensure beds, bed sheets, etc.
- ▶ Ensure soap, towel, sanitary pad, first aid box, etc.
- ▶ Ensure food arrangements
- ▶ Provide facilities to dispose infected waste
- ▶ Depute responsible people in charge
- ▶ Choose volunteers for daily duty (on shift basis). And intimate them to prepare themselves.
- ▶ Always be ready to accommodate the quarantine center at any emergency situation

Prepared the Community Quarantine Centre?
Let's see the execution of it in the next
